Hi, I'm going insane with all this charging! I purchesd my new curve 9360 on Friday 24/02/2012 and then went home and put it on charge for 4 hours (as the retail outlet had specified when I asked them),using the new charger that came in the sealed box with the phone. I then began to use the device, say from around 6pm till about 9pm then it was showing battery low already.
