Communication skills are abilities you use when giving and receiving different kinds of information. Some examples include communicating ideas, feelings or what's happening around you. Communication skills involve listening, speaking, observing and empathizing.

### **Communication Skills: Definitions and Examples | Indeed.com**

Effective communication is about more than just exchanging information. It's about understanding the emotion and intentions behind the information. As well as being able to clearly convey a message, you need to also listen in a way that gains the full meaning of what's being said and makes the other person feel heard and understood.

### **Communicate What You Mean** **2nd**

Think about it this way, a simple phrase like “what do you mean” can be said in many different ways and each different way would end up “communicating” something else entirely. Scream it at the other person, and the perception would be anger. Whisper this in someone’s ear and others may take it as if you were plotting something.
