The CPT grades each question after it is answered. Therefore, once you have answered a question and moved on to the next question, you will not be able to go back and change your answer. The test is also computer adaptive, meaning that the test administers questions based on how you are performing on each question.

### **CPT Testing and Study Guide - Bermuda College**

Questions are very straightforward and answers are well-explained. Some answers seem to have come from earlier versions of the CPT manual, and some compliance/Medicare material was not covered in the CPC course through AAPC. But overall, the test questions are easy to understand, and it's a great review.
