Physics Controlled Assessment Paper Helicopters

This chapter is dedicated to present the principles that constitute the fundamentals of helicopter flight physics, starting from the basics of the main rotor aerodynamics and of the component parts related to flight control. The chapter opens with a short history of helicopter development, taking the date of 13th November 1907 for a reference point; this is the date when the first helicopter ...

Helicopter Flight Physics | IntechOpen

In GCSE Physics, Unit 3: Practical Skills is assessed by controlled assessment. This unit is worth 25 percent of the final mark. We set two controlled assessment tasks for each cohort of students. We renew these tasks each year to ensure that they continue to set appropriate challenges. Students may complete one or both of the tasks.

Physics Microsite > Controlled Assessment

GCSE Physics for certification June 2014 onwards (version 1.1) 1.2 Why choose GCSE Physics? GCSE Physics enables you to provide a Key Stage 4 physics course for learners of any ability, whether they intend to study science further or not.
