In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Kwanjangnim Original Haidong English Edition

Kwanjangnim Original Haidong Gumdo is a unique book as it discussed a martial art that does not receive much coverage, Haidong Gumdo. However, this book is not the definitive guide to the martial art and is indeed a very basic book that could have been a magazine article. The actual English part of the book is about 60 pages in big type.
