Life Plan Workbook

The Life-Planning Workbook is a tool to help you live your life by choice instead of chance. It can help you take stock of where you are as a function of where you've been, decide where you want to go, and make specific, realistic plans to get there. It's designed to raise your awareness of how you can create the life you want.

The Life-Planning Workbook

The Life-Planning Workbook is a book that is action oriented. For people in their 50 or 60's and beyond, doing the life circle can be interesting. While it may not give a good prediction of longevity, it allows one to see what has occurred in one's life. It also serves a good starting point to reflect on what one's future will be.

The Life-Planning Workbook: Living your life by choice ...

The Life Plan Workbook 1. Exploring You The first thing you need to do is explore yourself – this is essential if you’re going to live your life in a way that is wholly consistent with who you are, and who you want to become. s when life has had the most It’s not always easy to put your finger on exactly what it

Write, Open, Act. | An Intentional Life Planning Workbook

As you make a life plan, it helps to plan not only months into the future but for years. Looking at your values and thinking about how you want the next few months, year, and five years to be (even up to ten years!) and then working backward can really clarify what next steps will bring you a payoff, and can help you decide where to put your time.
