It's called Life Reimagined. Life Reimagined, the new book by Richard J. Leider, Founder and Chairman of Inventure, and Alan M. Webber, cofounding editor of Fast Company and former editorial director and managing editor of Harvard Business Review, helps you navigate this next phase of life with choice, curiosity and courage. Life Reimagined helps you: discover your new life possibilities, connect with your sounding board, and take the first step toward change!

Life Reimagined | Richard Leider

It says that Life Reimagined is a journey of inner and outer discovery. And that the ultimate discovery each of us can make is self-discovery. It says that none of us should go it alone on the journey into this new phase of life. Isolation is fatal.

Why Life Reimagined | Richard Leider

What I love about Life Reimagined is that it's not Life Reinvented. You don't have to become someone different or transform yourself into someone else. You just have to imagine the possibilities and learn how to make them a reality. And you can do this even if you're in your 30s and 40s. Why wait to live the life you want?

life reimagined - Midlife at the Oasis

Life Reimagined has a six step guide to help you lead a more dynamic and exciting second half of life. We are all participants in one of the most significant social movements of our time: We're creating a new phase of life. For many it happens at midlife, but in fact a Life Reimagined moment can come at any age.
