Lonesome Llama. The basic idea behind the Lonesome Llama game is that students receive a bunch of cards that have geometric houses on them with different features. The cards differ slightly in many ways. Some cards have one match, others have more than one match. One card in the deck is different from all the others, but it can be hard to find because the differences between cards are subtle.

Lonesome Llama. The basic idea behind the Lonesome Llama game is that students receive a bunch of cards that have geometric houses on them with different features. The cards differ slightly in many ways. Some cards have one match, others have more than one match. One card in the deck is different from all the others, but it can be hard to find because the differences between cards are subtle.

Ninth grade Lesson A Communication Challenge | BetterLesson

* My trig students completed the Lonesome Llama project from IMP. This took waaaaaaaaaaaaayyyyyyy longer than I thought it would. One group figured it out in 32 minutes with one wrong solution along the way. My other group also worked for about 30 minutes, but they were only able to present me with 3 different solutions.
