Will Africa Feed China By

Few topics are as controversial and emotionally charged as the belief that the Chinese government is aggressively buying up huge tracts of prime African land to grow food to ship back to China. In *Will Africa Feed China?*, Deborah Brautigam, one of the world's leading experts on China and Africa, probes the myths and realities behind the media headlines. Her careful research

Will Africa Feed China? - Deborah Brautigam - Oxford ...

There are no 'land grabs', there is no massive export of African crops to "feed China"; there are a few joint ventures and showcase projects, all relatively small, with varying levels of success. The book indicates that, rather than there being too. Essential reading on China's agribusiness involvement in Africa.

Will Africa Feed China? by Deborah Brautigam

There is no doubt China seeks and needs food security, but Brautigam raises the distinct possibility that the Chinese model in Africa, thus far, may have the potential to feed both Africa and help feed China. As someone familiar with many African locations, and deeply knowledgeable about China, Brautigam's patient investigation re-establishes sober judgement against a backdrop of shrill alarms.

Will Africa Feed China? | The MacMillan Report

Moving from the halls of power in Beijing to remote irrigated rice paddies of Africa, Will Africa Feed China? introduces the people and the politics that will shape the future of this engagement: the state-owned Chinese agribusiness firms that pioneered African farming in the 1960s and the entrepreneurial private investors who followed them. Their fascinating stories, and those of the African farmers and officials who are their counterparts,
